Rockville parking lot closures scheduled

Fairfield, California (Tuesday, June 26, 2012)—The parking lot at Rockville Hills Regional Park will be closed for maintenance work on Thursday, June 28 and Friday, June 29.

PG&E and Comcast will work to install power and communication lines to serve an electronic payment machine located in the parking lot.

Rockville Park will remain open during the work; however, there will be limited parking available on the shoulder of Rockville Road.

Rockville Hills Regional Park covers 633 acres, and is owned and managed by the City of Fairfield. It is a popular destination for hikers and mountain bikers from throughout the Bay Area.

About the Public Works Department

City of Fairfield Public Works employees include those who maintain, operate, and manage the water treatment and distribution systems, sewer collection systems, storm drainage systems, public transportation, public buildings, parks and landscaping, streets, traffic control devices, and the City fleet. In addition, they oversee the preparation of all private and public development plans, and are responsible for reviewing new construction and public improvements within the city of Fairfield. The Public Works Department is committed to planning, designing, building, operating, and maintaining infrastructure and facilities that will stand the test of time. To learn more about the projects and services provided by the Public Works Department, please refer to the City of Fairfield's website www.fairfield.ca.gov.
